## A NEW ON-LINE VIDEO SERVICE FOR POINT-TO-POINT RACING FROM WEATHERBYS CHASE

Weatherbys Chase announces the launch of a video website for Point-to-Point racing.

For the first time Point-to-Pointing fans will be able to view race highlights of the majority of Britain's Point-to-Point races from the sports official website [www.pointtopoint.co.uk](http://www.pointtopoint.co.uk)

Viewpoint is a joint venture between the Official website of Point-to-Pointing, [pointtopoint.co.uk](http://pointtopoint.co.uk) – owned and managed by Weatherbys Chase, and the UK's leading Point-to-Point video producers. Race videos will be added to the site within days of taking place, and sit alongside the unrivalled form commentaries and meeting summaries already provided online by Weatherbys Chase.

Weatherbys Chase is co-owned by Weatherbys and the Point-to-Point Authority. The company provides a range of publishing and data services for the sport of Point-to-Point racing in Great Britain.

Robert Waley-Cohen, Chairman of Weatherbys Chase and the Point-to-Point Authority and leading Point-to-Point Owner and Trainer said:

*Viewpoint is an exciting addition to our website. It is the beginning of what the PPA and Weatherbys partnership will bring as we raise the profile of our fantastic sport.*

Viewpoint is now available to Weatherbys Chase website subscribers.
